Re: Public Records Request

Dear Mitchell Toups:

I write in response to your public records act request received by our Office December 11, 2018.

Pursuant to 1 V.S.A. § 318(a)(5)(B) the Attorney General's Office will need to invoke its right to additional time to respond due to the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in this request.

We will further respond within ten business days of receipt of your request.

Thank you.

Sincerely,

/s/

Molly R. Gray
Assistant Attorney General
